**HILARIOUS NEW BOOK *THE AMERICAN SANDBOX*
DICTIONARY OF CHILDREN'S MISPRONOUNCED
ENGLISH COMPILES COMMONLY MANGLED
WORDS AND MALAPROPS**

far•mer•john [FAR-mur-jon] noun. A hard, dry Italian skim milk cheese usually grated and served atop foods such as a salad or baked meal.

sick•as•hell a•ne•mi•a [SIK-az-hel uh-NEE-mee-uh] noun. A chronic blood disease most common among people of African descent where abnormal hemoglobin causes red blood cells to become nonfunctional and sickle-shaped.

ST. LOUIS, MO— *The American Sandbox Dictionary of Children's Mispronounced English* by Alvin Zamudio collects hundreds of kids' mispronunciations and includes their intended definitions. Words like smoke•in•a•troll (remote control), man•y-•nems (M&Ms), ow•breyes (eyebrows), and countless others fill this hilarious compilation, which features the best entries from thousands of submissions collected from Zamudio popular website www.americansandbox.com. Parents from across the country have shared their kids' mispronunciations; you'll find many of them in this adorable, or "adorabubble", volume.

Look for *The American Sandbox Dictionary of Children's Mispronounced English* in bookstores and online at www.reedypress.com. Review copies, author interviews, and event information are available upon request at (314) 644-3400.

About the Author

Alvin Zamudio is an artist, producer, and father of three who was inspired back in 1995 when his niece told him he would need a "bulella" for protection from the rain. This is his first book.
